Winter Sprintcar Series Press Release

Darkhorse War Paint Designs Australia Sponsorship Announcement

Darkhorse War Paint Designs are joining the Winter Sprintcar Series presented by Slims Tyre Service in supporting the development of Sprintcar Racing in Western Australia. As part of their support, Darkhorse War Paint Designs are offering a design and application of Sprintcar sign writing to the value of \$1,500.

This generous contribution from Clint Harvey (no relation to promotion team) of Darkhorse War Paint Designs would benefit any team looking to take their teams preparation to the next level. The criteria to be awarded this service is still being finalised, but Series Promoter Peter Harvey sees this service going to a worthy up and coming team who would appreciate the services of Darkhorse War Paint Designs.

Many thanks to Clint and his team in support of the Winter Sprintcar Series.

See you at the racing.

Regards,

Peter Harvey
